

Free Footage for Your FACTory Pitches

Submitting to AIDC's FACTory International Pitching Forum? To help you prepare your best possible pitch, Getty Images have partnered with AIDC to provide you - **absolutely free** - up to 10 footage clips you can use for your application.

The Getty Images online library has **over 8 million footage clips** on every subject under the sun - from moon landing to wildlife to timelapses of cities and much, much more. You can search by keywords, filming technique, viewpoints and composition, among other options.

How to get access to the free footage:

1. Get in touch with Douglas Simpson on douglas.simpson@gettyimages.com to create your account and discuss your footage needs.
2. Confirm your acceptance of terms and conditions via email (we have an easy template we'll send to you)
3. Login on gettyimages.com.au and download the clips you like!

If you have any questions, please contact Douglas on douglas.simpson@gettyimages.com

Good luck!

Please note:

- Video content is available to use at no cost for The FACTory pitches only. All other uses - including at other events or pitches, or social media - will need to be licensed for at a cost. Our team can help you with the pricing options.
- BBC Offline Archive is not available under the free access.
- Limit of 10 clips per applicant.
- Available until **5 March 2019**.
